Compatible with ALC AWS3266 Connected
Video Surveillance System

Model AWSC36

QUICK START GUIDE

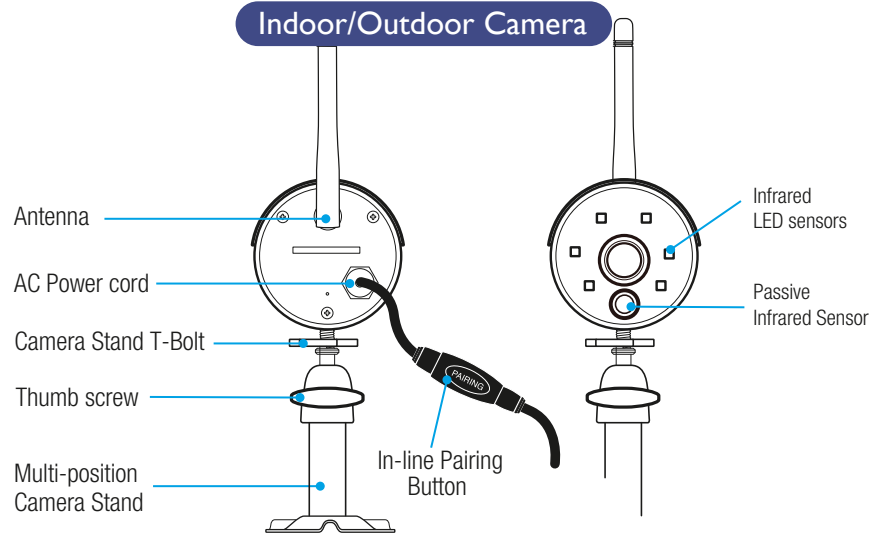

Let's Get Started

Model AWSC36

REQUIRES ALC AWS3266 WIRELESS SURVEILLANCE SYSTEM TO WORK.

IN THE BOX

-  Outdoor camera with multi-position stand
-  AC power adapter
-  Power extension cable
-  Camera Installation Screw Pack
-  Quick Start Guide

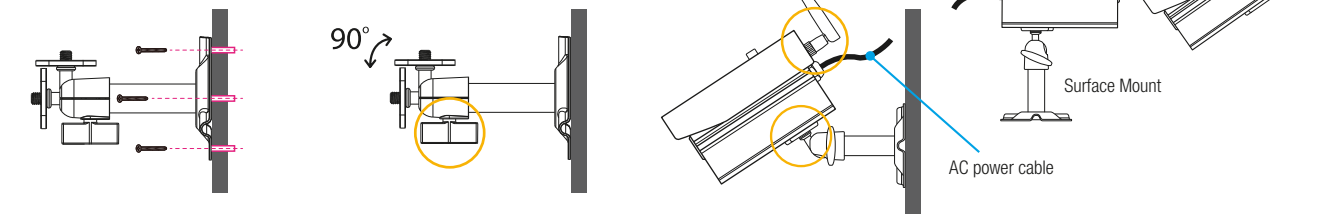

Tip: Plan the location of your camera for optimal viewing and proximity to AC Power outlets, (1) power extension cable is included.

NOTE: Avoid installing in a location which requires the Wireless signal to pass through cement, concrete and metal structures. This will reduce the transmission range.

CAMERA INSTALLATION + SETUP

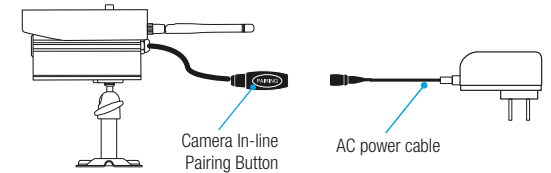

CAMERA MOUNTING

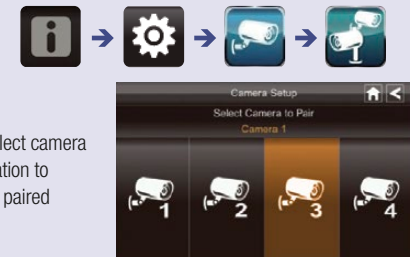

- 1** Secure the multi-position camera stand to a stable surface, ceiling or wall.
- 2** Loosen the T-Bolt on the camera stand and adjust viewing angle using the Thumb Screw to rotate position.
- 3** Align hole on bottom of camera with T-Bolt to install camera. Screw antenna into rear of camera.
- 4** Attach power cable to power extension cord AC Adapter. Plug into electric outlet.

PAIRING ADDITIONAL CAMERAS TO CONTROL PANEL

The AWS3266 Wireless Surveillance System supports up to four (4) wireless surveillance cameras. Use the following steps to pair each additional camera.

From the Main Menu on the Control Panel, select the CAMERA SET UP icon

Select camera station to be paired

- 1** Tap the CAMERA STATION you want to pair; a 60-second timer will start.
- 2** Within 60 seconds, press the PAIRING KEY once on the camera's power cord. The timer will stop when the camera is paired.
- 3** Go to Home Screen to view live cameras on the Control Panel Monitor.

NOTE: Cameras are IP66 rated for indoor/outdoor use. For outdoor use it is recommended to install camera under shelter to protect from direct exposure to sunlight and other environmental elements. Avoid pointing a camera directly at any bushes or tree branches or objects that may naturally move due to winds.

For detailed installation and setup, please refer to the Model AWSC36 extended User's Guide available on our website:
